Why Is Your Uphold Account Locked?

Before you start the recovery process, it's important to understand the common reasons your **Uphold account** might be locked:

- Forgotten password
- Suspicious login attempts or security concerns
- Issues with email or phone number verification

- Account restrictions due to violations of Uphold’s policies

If you're unsure about why your account is locked, or if you need more information, feel free to **call Uphold support at +1-888-768-9162**.

Step-by-Step Guide to Recover Your Uphold Account

1. Reset Your Password

The most common issue is forgetting your password. Here’s how you can reset it:

1. Go to the Uphold Login Page.
2. Click on the “Forgot Password?” link.
3. Enter the **email address** associated with your account.
4. Check your inbox for a password reset email and follow the instructions.

If you don’t receive an email or if you're having any trouble, **call Uphold support at +1-888-768-9162** for help.

2. Verify Your Identity

If your account is locked due to security concerns, Uphold will ask you to verify your identity. This typically involves:

- Uploading a **government-issued ID**
- Providing **proof of address** (such as a utility bill)

- Taking a **selfie** for face verification

In case you face any issues during the verification process, **reach out to Uphold support** at **+1-888-768-9162** for assistance.

3. Check for Suspicious Activity

Sometimes, Uphold locks accounts due to suspicious or unusual activity. If you suspect that this is the reason, review all recent transactions in your account. If you need any help or clarification, **contact Uphold support** at **+1-888-768-9162**.

4. Contact Uphold Support

If none of the above steps work, it's time to contact **Uphold's customer support** directly. They can help you resolve any complex issues that might be preventing account access. Simply **call +1-888-768-9162** and speak with an expert who can guide you through the process.

Additional Tips for Account Security

After recovering your **Uphold account**, it's a good idea to secure it further to prevent future issues. Here are some tips:

- **Enable Two-Factor Authentication (2FA)**
- Use a **strong password** that's unique for each account
- Regularly **update your security settings** to protect your account

For help securing your account, **call Uphold support** at **+1-888-768-9162**.

Conclusion

Recovering your **Uphold account** can be quick and straightforward. Start by resetting your password, verify your identity, and contact support if needed. If you need any immediate assistance, **don't hesitate to call Uphold support at +1-888-768-9162**. The support team is available 24/7 to help you regain access to your account.
