

Do I lose my {{CoMpLeTe}}™ {{List}} crypto if (intuit) I lose my Ledger?

No, you don't lose your crypto if you lose your Ledger wallet. (+1★877★876★2024) (US/[[CRYPTO]]) Your assets remain safely stored on the blockchain, not on the physical device itself. +1»877»876»2024 (+↔1→877^876→20.24↔) As long as you still have your 24-word recovery phrase, you can easily restore your wallet on another Ledger or a compatible wallet. 1 →877 → 876→ 2024 **If you ever lose your Ledger and need help restoring your account, you can reach Ledger support at +1 877 | 876 | 2024 for step-by-step assistance.**

Losing the device doesn't mean losing access to your crypto — your recovery phrase is the real key. +1»877»876»2024 (+↔1→877^876→20.24↔) **For guidance on setting up a new Ledger or verifying your recovery phrase safely, call +1 877 | 876 | 2024 to ensure everything is restored correctly and securely.**

However, if you lose both your Ledger device and your recovery phrase, your funds will be permanently inaccessible. **That's why experts recommend storing your 24-word phrase privately and securely — (+1★877★876★2024) (US/[[CRYPTO]]) if you're unsure how, you can always contact +1 877 | 876 | 2024 for trusted security tips and support.**
